## Renditions Best Ball

Last Saturday the Waggle.com 2 Person Best Ball series moved to Renditions Golf Course in Davidsonville, MD. The course is unique because each of Renditions' eighteen holes is a replica of a hole from a golf course that has hosted one or more of golf's four major championships: The Masters, The U.S. Open, The British Open and The PGA Championship, plus a hole from The Players Championship, golf's "fifth major." And, on each hole is a sign that tells a story about the original's history.

On a sunny slightly blustery day 20 golfers battled each other on holes that include "Amen Corner" from Augusta, #17 island green from TPC Sawgrass and the infamous (and soon to be seen at the U.S. Open) "Church Pews" at Oakmont. At the end of the day the scores were close and 2 groups stood tied at 80. The tie was decided by comparing scores on the #1 handicap hole and the winners were Eric Dodson and William Strickland. This is win #2 for these guys this season as they also took first at Marlton. Not that we were playing favorites, but we were glad to see them win because Bogeyman forgot the camera and couldn't take a picture of the winners, so we were able to reuse their Marlton photo.

The consensus from our golfers was that Renditions is in the best shape they've seen. Recent improvements to the course that include work around several greens and tee boxes have proven to make a difference.

#### Million Dollar Hole In One Shootout Results

The Multi Million Dollar Hole In One Shootout at Diamond Ridge Golf Course was a huge success. Golfers from all over the state took their chances trying to qualify for a shot at one million dollars. Sunday, the final day, was a wet one but it didn't stop the qualified golfers from competing in this once in a life time hole in one shot for one million dollars. The weather was brutal for the final shot and the results illustrate these challenging conditions. Out of 28 golfers only a few actually hit the green, with the closest landing 5 feet eleven inches from the million dollar hole. I qualified for the final shot and as the great golfer I am, yea right, the rain and wind was too much for my swing to hold up and hit that perfect shot for an ace. Those are the breaks when playing golf. Two thousand dollars was donated to cystic fibrosis from the event.

## Waggle Partners Have the “Toughest” Holes

The Capital Golf Weekly show annually asks viewers to pick the ten toughest holes in the area. Four of the top ten holes are on Waggle Partner courses. The third hardest hole honor went to the par 3 9th at Goose Creek. AYCE finished his Memorial Day scramble at Goose last Sunday with a par and a huge sigh of relief. The left to right slope in the green makes this one of the toughest greens to hit and hold, as well as a very difficult 2-putt for par. Bunkers flank the green leaving no margin for error. The number one spot went to Hilltop for its par 4 3rd hole. This uphill, dogleg right monster has a huge green with lots of break which is fronted by a massive bunker. We have struggled for par on this hole many times!

The complete list from ten to one:

- |                     |                     |
|---------------------|---------------------|
| 10. Cross Creek #14 | 5. Kastle Greens #2 |
| 9. Blue Mash #17    | 4. Poolesville #2   |
| 8. Old Hickory #18  | 3. Goose Creek #9   |
| 7. Lees Hill #4     | 2. Rock Harbor #11  |
| 6. Glen Dale #9     | 1. Hilltop #3       |

## Quote of the Week

Golf is a terrible, hopeless addiction, it seems: it makes its devotees willing to trudge miles in any manner of weather, lugging a huge, incommensurable and appallingly heavy bag with them, in pursuit of a tiny and fantastically expensive ball, in a fanatical attempt to direct it into a hole the size of a beer glass half a mile away. If anything could be better calculated to convince one of the essential lunacy of the human race, I haven't found it.
